### Highlights of the event/ Report of the event

The Orientation Program for the First-Semester students was successfully held on 01/06/25. The program aimed to welcome the new batch of students, familiarize them with the college environment, and provide essential information about academic and extracurricular opportunities available at the institution.

The event commenced with an **inaugural session**, where the Sri Dr. Sreekumar Principal, extended a warm welcome to the newcomers and emphasized the importance of dedication, discipline, and active participation in college life.

A detailed presentation by the Head of Departments highlighted the various departments, FYUGP scheme, library facilities, placement cell, and counselling services. Students were also informed about important rules and regulations, anti-ragging measures, and the code of conduct to ensure a safe and inclusive campus environment.

The program included an interactive session where students could ask questions and clarify doubts regarding academics , NSS,NCC, and placement details.

Overall, the orientation program was highly beneficial in easing the transition of new students into college life, fostering a sense of belonging, and setting a positive tone for their academic journey.

### **Highlights of the event/ Report of the event**

An Orientation program was conducted for the faculty, aiming at counselling, placement, and other extracurricular activities on 08.06 .2025 .

It was conducted with the sole aim of helping staff to strengthen their areas of interest and guiding students to achieve a good academic profile, aligning with their natural abilities. It helped in enhancing critical thinking and understanding the students' capability, which is crucial for academic success and professional development. Additionally, it gives an insight for Faculties to build a healthy relationship towards a positive attitude. It develops the ability to manage time effectively during inside class and other activities. It also strengthens analytical skills, essential for decision-making, needed for a good mentor. A strong aptitude is often a competitive advantage, distinguishing individuals in both competitive academic environments and job markets.

It was conducted under the guidance of Sri Murali V.S, Principal, College of Applied Science. The Orientation class proved to be a transformative experience for the faculty. Undoubtedly, they left a lasting impact on the Faculties, equipping them with valuable tools for future academic and professional success.

### **REPORT OF THE EVENT**

A special class on *ARTIFICIAL INTELLIGENCE and ROBOTICS* was organized for the students on 17/10/2025 FROM 1.00 pm TO 3.00 pm at College of Applied Science Perissery. The session was handled by **Dr. Riboy Cherian, Professor Electronics Engineering, Saint Gits College of Engineering Kottayam**. In his talk, the following part of knowledge is imparted. Fundamentals of Robotics, Components and working of robots.

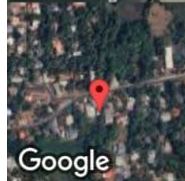

Industrial and service robots: their role in automation. Integration of AI in Robotics. How AI enhances robot perception, decision-making, and motion control. Case studies of intelligent robots used in healthcare, defense, and manufacturing. Future Trends and Ethical Considerations, The rise of humanoid robots and autonomous systems. Challenges like data privacy, job displacement, and the need for responsible AI.

### REPORT OF THE EVENT

A workshop on *Artificial Intelligence in Web Development* was conducted in our college on 18/09/2025. The session was organized to provide students with insights into the integration of AI tools and technologies in modern web development.

The workshop was led by Mr.Dileep Kumar K,Lecturer in Computer Application, who has expertise in Artificial Intelligence and its applications in software development. He shared valuable knowledge on the role of AI in enhancing user experience, automating web functionalities, and improving website performance.

During the session, topics such as AI-powered chatbots, recommendation systems, intelligent web design were discussed. The resource person also demonstrated practical examples of how AI frameworks and APIs can be integrated into web applications.

### **REPORT OF THE EVENT**

A special class on Solar Power for Sustainable Energy was organized for the students on 06/10/2025 at College of Applied Science Perissery. The session was handled by **Dr. Nandakumar, Assistant Executive Engineer, KSEB.**

In his talk, Dr. Nandakumar highlighted the importance of renewable energy sources, especially solar power, in ensuring a sustainable future. He explained the working principles of solar energy systems, their advantages over conventional sources, and the role of solar power in addressing the global energy crisis. The session also shed light on various initiatives of KSEB in promoting solar energy in Kerala.

**Highlights of the event/ Report of the event**

The College of Applied Science, Perissery, conducted its first-ever convocation ceremony, MINERVA 2025, on October 10, 2025, with dignity, academic solemnity, and ceremonial grandeur. Named after Minerva, the Roman goddess of wisdom, the event honoured the scholarly accomplishments of the graduating students and marked a significant milestone in the institution's journey since its establishment in 2015 under the Institute of Human Resources Development (IHRD).

The programme commenced with an invocation rendered by the students, followed by Dr Sindhu R. Nair, Head of the Department of Computer Science, formally welcoming the dignitaries, graduates, faculty, parents, and guests. In her address, she acknowledged the historic significance of hosting the institution's first convocation and recognised the collective efforts that have shaped the academic culture of the college.

The Presidential Address was delivered by Dr G. Sreekumar, the Principal, who presided over the ceremony. He emphasised the transformative power of education, the importance of intellectual discipline, and the responsibilities that accompany academic achievement, urging the graduates to uphold ethical values in all their future endeavours.

Sri ceremonially inaugurated the convocation. Doney Thomas Varghese, Special Judge, Fast Track Special Court, Pathanamthitta, who lit the traditional lamp. In his inaugural address, he reflected upon the role of education in building an empathetic, just, and socially responsible citizenry, drawing from his extensive experience in judicial service.

The Chief Guest, Shri Ayush Kumar Kori, IFS, Divisional Forest Officer, Konni Forest Division, delivered an inspiring and thought-provoking convocation address. He highlighted the imperatives of environmental responsibility, sustainable living, and community engagement, offering graduates a broader perspective on civic duty and ecological consciousness.

The ceremony proceeded with the awarding of Gold Medals to the university toppers, followed by the formal distribution of degree certificates to the graduates of the BCA, B.Sc., B.Com., and M.Com. Programmes. Sri administered the Graduation Oath. Doney Thomas Varghese, with the graduates pledging to uphold integrity, professionalism, and responsible citizenship.

Smt delivered felicitation addresses. Raji R, Head of the Department of Commerce; Dr Shifana P. A., Head of the Department of English; and Smt. Bindhu, PTA President. Each speaker extended heartfelt congratulations to the graduates and highlighted the significance of dedication, academic excellence, and meaningful contribution to society.

The programme concluded with the Vote of Thanks, proposed by Smt. Bindhu T. A. S., Associate Professor, Department of Computer Science, expressed sincere gratitude to all dignitaries, faculty members, parents, students, and staff for their contributions towards making the inaugural convocation a memorable and successful event. The ceremony formally concluded with the National Anthem.

As the first convocation of the College of Applied Science, Perissery, MINERVA 2025 marks a landmark in the institution's history, celebrating academic achievement, institutional growth, and the enduring pursuit of knowledge and excellence.
