REPORT OF THE EVENT

An Orientation program was conducted for the final year students aiming at registration in DWMS career portal and training portal on 15.07 .2025.

The DWMS portal is part of the **Kerala Knowledge Economy Mission (KKEM)**, designed to connect students and jobseekers with career opportunities, skill development, and placement support.

As a part of work readiness programme , a 15-hour module offered **free of cost** to DWMS registrants It covers:

1. Interview etiquette and confidence building
2. Resume writing and presentation skills
3. Group discussions and mock interviews

It was conducted with the sole aim of helping students to strengthen their areas of interest and guiding students to achieve good academic profile aligning with their natural abilities. It was conducted under the guidance of Smt Anu , staff member of KKEM.

REPORT OF THE EVENT

The College of Applied Science Perissery, in collaboration with its Department of Commerce and Placement Cell, organized a highly informative **Career Guidance Seminar** on 25th September 2025. The focus of the seminar was on **how NSDC (National Skill Development Corporation) can assist commerce students in shaping a successful career in accounting.**

The seminar was facilitated by **Mr. Sreejith PR**, a seasoned career consultant, who shared valuable insights about skill development programs, job opportunities in the field of accounting, and how students can leverage NSDC initiatives to enhance their employability.

The seminar was a great success, receiving an enthusiastic response from the commerce students. It provided a clear roadmap for those aiming to pursue a career in accounting and emphasized the importance of skill development through platforms like NSDC. The institution extends its heartfelt thanks to **Mr. Sreejith PR** for his valuable contribution and guidance

NAME OF THE EVENT	TALENTED TEST
DATE & TIME	06-10-2025 2.00PM-3.00PM
NAME AND DESIGNATION OF THE STAFF COORDINATOR	GEETHU C NAIR ASST PROFESSOR PLACEMENT COORDINATOR

REPORT OF THE EVENT

Enbridge Training Campus conducted a Talented Test to identify and encourage academically gifted students. The initiative aimed to recognize students' potential, motivate them toward academic excellence, and provide opportunities for further learning and development through specialized programs and scholarships.

Objective of the Test

The main objectives of the Talented Test were to:

1. Assess students' knowledge, reasoning skills, and subject aptitude.
2. Identify high-performing students for advanced coaching and guidance.
3. Create awareness about competitive examinations and higher education pathways.
4. Foster a spirit of healthy competition and self-assessment among students.

The **Talented Test conducted by Enbridge Training Campus** was a successful and impactful event that identified young achievers and inspired all participants toward continuous learning. The program not only recognized academic potential but also strengthened the relationship between students, schools, and the Enbridge institution in promoting educational excellence.
